

ENERGIZE MISSOURI

MISSOURI DEPARTMENT OF NATURAL RESOURCES

DON'T MISS THE LAST CHANCE TO ATTEND THE FINAL 2012 ENERGY CODE WORKSHOP ON MONDAY, FEBRUARY 27TH IN COLUMBIA, MO!

Building Energy Standards are Beneficial for Missouri.

Energize Missouri Building Energy Standards Workshops will illustrate the far-reaching benefits associated with adopting and enforcing the latest International Energy Conservation Code (IECC) in an attempt to gain a stronger statewide involvement.

If all municipalities in Missouri adopted and enforced the model energy code statewide in 2011, the state would have saved \$318 million annually in energy costs by 2030.

Workshop Topics

- Residential Buildings Presentation:
Requirements of the 2012 IECC
- Commercial Buildings Presentation:
Requirements of the 2012 IECC
